A Novel Scheme.

The King's Daughters an auxiliary society in the Fourth street M. E. church, have set out to purchase a new carpet for the church by earning a dollar and contributing it towards the carpet. The rule requires them to hold a public meeting once a month, and each contributing a dollar must tell exactly how the dollar was earned. The first public meeting was held last evening in the lecture room of the church, when about \$200 was reported. The experiences were indeed novel and were very interesting.

### EPWORTH LEAGUE

Of Wheeling District Ends Its Annual Meeting at Cameron.

### WHEELING GETS NEXT MEETING

Of the League—Many Interesting Papers were Read at Yesterday's Session—Officers are Elected—Among the Successful Candidates are Several Wheeling Members of the Organization—The Details of the Convention.

Yesterday's session of the Wheeling district Epworth League convention at Cameron, were even more interesting than those of Thursday. The early morning prayer meeting was conducted by Rev. J. S. Robinson, of Benwood. The song service preceding the convention business was led by Miss Florence Wetzel, of New Martinsville.

At the morning session the following excellent papers were read and highly commended in the discussions which followed them:

"Is the Epworth League meeting the demands of the times, and the church?" W. E. Patterson, of Wheeling.

"Is the Junior League meeting the demands of the church?" Miss Mary Scott, of Moundsville.

"The possibilities of the Epworth League," George Waterhouse, of Wheeling.

The latter two papers were so favorably received that a resolution was adopted authorizing the election of superintendents for these departments of work in the district.

"The amusement clause" in the Epworth League plan was excellently presented in a paper by Miss Alice Long, of Sherrard.

"Attendance upon Religious Worship," was the subject of another highly appreciated paper by Edward Leonard, of Sherrard.

The afternoon devotional service was in charge of J. W. Muldoon, of Triadelphia.

The West Virginia Conference Seminary, opened by Rev. A. Moore; The Methodist Episcopal Times, of Parkersburg, by Rev. W. J. Harkness. The spiritual, mercy and help, literary and social departments in the Epworth wheel were admirably presented respectively by Rev. William Anderson, of New Martinsville; Miss Mary Straub, of Wheeling; Miss Pearl Dorsey, of Fairview, and Mrs. Bert Sisson, of Wheeling.

The committee on nominations reported two candidates for each office and a ballot was taken, resulting in the election of the following officers:

President, Rev. A. Moore, of Wheeling.

First vice president, W. E. Patterson, of Wheeling.

Second vice president, Miss Alice King, of Sherrard.

Third vice president, Miss Nora Dolbeare, of Benwood.

Treasurer, Mrs. Eva Hubbard, of Fulton.

Junior league superintendent, Miss Pearl Dorsey, of Fairview.

Epworth guard superintendent, George Waterhouse, of Wheeling.

Executive committee, Rev. A. Moore, W. B. Mathews and James A. Sigafosse, of Moundsville.

Chapline street church, Wheeling, was selected as the place for holding the next convention.

In the evening a platform meeting was held and very interesting speeches were delivered. After the adoption of numerous resolutions of thanks the convention closed.

Cameron Oil Notes.

The Vandegrift Oil Company has completed a well 2,341 feet deep on the Bryan farm at Sugar Grove, five miles southeast of Cameron, but there was no showing of oil, notwithstanding the formations were of the best. It will make a good answer and would supply a town the size of Cameron.

There are now seven strings of tools in operation within eight miles of Cameron, all expecting to strike the oil formation.

Another Test Well.

The outfit has arrived for the test well on the farm of John Tilton, on Deep run, four miles above Martin's Ferry. Pittsburgh parties have considerable territory in that neighborhood and will drill the well.

The Discovery Saved His Life.

Mr. G. Calhounette, Druggist, Beaverville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Logan Drug Co.'s drug store.

MR. D. P. DAVIS, a prominent physician and merchant of Gosport, Va., has this to say on the subject of rheumatism: "I take pleasure in recommending Chamberlain's Pain Balm for rheumatism, as I know from personal experience that it will do all that is claimed for it. A year ago this spring my brother was laid up in bed with inflammatory rheumatism and suffered intensely. The first application of Chamberlain's Pain Balm cured him, and the use of one bottle completely cured him."

The County Commissioners Inspect the Proposed Route of the Suburban Railway.

The board of county commissioners went out the National road yesterday morning to look over the ground asked for by the promoters of the proposed Suburban railway, and spent most of the day in the work. The commissioners were favorably impressed with the idea of the extension, and there is no doubt that they will grant the right of way at their meeting next week. The proposition is to have the proposed electric line run out the National road to the state line near West Alexander, the particulars of which were given in the Intelligencer some weeks ago.
